PUBLIC NOTICE

We have received grievances that in several parts of the country cigarette packets are being sold above the Maximum Retail Price (MRP) printed on the packages.

Please note that sale of packaged goods (including cigarettes) at a price above MRP is illegal and violative of the provisions of the Legal Metrology Act, 2009 (LM Act) and rules thereunder.

We request the trade to sell cigarette packets at prices that do not exceed the MRP.

The recent increase in taxes on cigarettes (which is being cited by some as a justification for sale of cigarettes above MRP) does not come into force until 1 February 2026. Even when the taxes are increased, the members of the trade are expected to meet such tax obligations by selling the packaged goods at prices not exceeding the MRP.

All concerned are advised to sell cigarettes at prices not exceeding the MRP.

5. On 21 November 2025, the Government of India notified the four Labour Codes - the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020, and the Occupational Safety, Health and Working Conditions Code, 2020 - consolidating 29 existing labour laws. The Ministry of Labour & Employment published draft Central Rules and FAQs to enable assessment of the financial impact due to changes in regulations. The Company has assessed and disclosed the incremental impact of these changes on the basis of expert involved and the best information available, consistent with the guidance provided by the Institute of Chartered Accountants of India. Considering the materiality and regulatory-driven, non-recurring nature of this impact, the Company has presented such incremental impact as "Impact of Labour Codes" under "Exceptional Items" in the statement of consolidated and standalone financial results for the quarter and nine months ended 31 December 2025. The incremental impact consisting of gratuity of INR 2,626.41 Lakhs and long-term compensated absences of INR 863.37 Lakhs primarily arises due to change in wage definition. The Company continues to monitor the finalisation of Central / State Rules and clarifications from the Government on other aspects of the Labour Code and would provide appropriate accounting effect on the basis of such developments as needed.

6. Previous periods/years figures have been regrouped/reclassified wherever necessary to correspond with the current period/year classification/disclosure, which are not considered material to these financial results.
